A week can make a big difference in a child's life.

A week at camp helps children make new friends, learn new skills, and gain confidence in their social skills and abilities.

Every year, we host more than 90 children and adults in our Family Camp. This program, designed for families on low incomes, is held at Camp Alexandra, a heritage site close to Crescent Beach. Camp Alexandra has been hosting camping programs for vulnerable children for almost a century!

But many families are hard-pressed to come up with the full costs for their child's participation. So it's important that we generate the funds necessary to ensure that we can accommodate as many families as possible and everyone has a good time.

You can help! Your donation will ensure that this year we are able to give all campers the best possible summer experience regardless of the actual cost of providing the program.

A donation of \$74 funds one day's activities for a happy camper; \$590 supports a full eight days' attendance for one child.

But every dollar counts - even a donation of \$25 helps us offer this important event to a family who may be badly in need of a week of fresh air, lively activities and companionship.

I and my colleagues on the board of Crescent Beach Community Services have already made donations to help support to this worthwhile cause. I hope you will join us by completing the coupon below and returning it with your donation.

Your support is the key to our success in building relationships that nurture individual, family, and community well-being.

Thank you.

Yours sincerely,
